Hi Vis LED Bomber Jacket - Style 601

The Nite Beams™ Hi Vis LED Bomber Jacket - Style 601 gives you and your workers a high visibility jacket that can also keep you warmer than just a light would. Comfortable to wear and easy to charge, our 601 bomber jacket can keep anyone safe while working in low-light environments.

FEATURES INCLUDE:

- ANSI/ISEA 107-2015 Class 3, compliant
- 24 Super Bright LEDs enhance your visibility up to ¼ mile in darker hours
- USB rechargeable lithium ion battery (1 oz.) and USB charging cord included
- 1.5 hours charging time
- Provides up to 10 hours of light, 20 hours on flashing mode
