

LED Hard Hat Band

The Nite Beams™ Hard Hat Band is designed to retrofit over most hard hat's and increase the wearers visibility from all directions. If you are required to wear a hard hat in your line of work and are in low-light situations, the Hard Hat Band can improve safety by making you more visible to everyone around you.

FEATURES INCLUDE:

- 10 Super Bright LEDs that are visible for up to ¼ mile from any direction in darker hours
- Affixes to hard hat with 2-way pre-installed silver, reflective 3M tape on headband
- Rechargeable lithium ion battery (1 oz.) and USB charging cord included
- Capable of being worn in all weather conditions
- 220 Lumens and provide up to 10 hours of visible light
