

# NITE BEAMS™

PREVENTING ACCIDENTS, SAVING LIVES

TODAY'S TECHNOLOGY

**CLASS 3** ↓ **ANSI/ISEA 107-2020**

THE REFLECTIVE TAPE  
TECHNOLOGY  
ITSELF IS 100 YEARS OLD.

USB RECHARGEABLE BATTERY (1 OZ)  
INCLUDES TYPE-C CHARGING CORD

**Mike "Tonto" Alexander**  
President/ Founder  
U.S. A.F. Veteran and Native American  
Nite Beam Products

I created our vest because too many roadway workers are struck by distracted motorists and/ or low visibility conditions. Motorists need ample warning time to slow down and move over. I wanted to eliminate these types of incidents, reduce accidents and possibly save a worker's life. I believe our vests do this. I hope you see the value in our award winning vests. **The workers you purchase these for will greatly appreciate them.**

STAY VISIBLE  
"Tonto"

## FEATURES & ADVANTAGES

ANSI/ISEA 107-2020 CLASS E COMPLIANT,  
EXCEEDS VISIBILITY REQUIREMENTS

5-POINT BREAKAWAY VEST

5 POCKETS

2 MIC HOLDERS

USB RECHARGEABLE BATTERY PACK (1oz.)  
INCLUDES USB CHARGING CORD

CHARGING TIME: 2hrs.

CONSTANT MODE: UP TO 20hrs.  
FLASHING MODE: UP TO 30hrs.

24 SUPER L.E.Ds.  
3 MODES: CONSTANT ON, FLASHING AND OFF

VISIBLE UP TO ¼ MILE BOTH WAYS

2in SILVER 3M REFLECTIVE TAPE

HI-VIS LIME VEST WITH CONTRASTING ORANGE

100% POLYESTER COOLING FABRIC

MACHINE WASHABLE: SLIDE OUT L.E.D. STRIPS  
AND REMOVE BATTERY SOURCE BEFORE WASHING

HANG OR COOL DRY THEN REINSERT L.E.D. STRIPS  
AND BATTERY BEFORE USE

WEARABLE IN ANY WEATHER CONDITIONS

## NATIONAL SAFETY COUNCIL REPORTS

WORK ZONE CRASHES CLAIMED THE LIVES OF 954 PEOPLE AND INJURED 42151 IN 2021. SINCE 2010, WORK ZONE DEATHS HAVE INCREASED 63%.
