

Rechargeable Traffic Baton / Flashlight / Alarm

Nite Beams'™ USB Rechargeable Traffic Baton is the most versatile, lighted beacon that can best benefit law enforcement. With flashing lights, a built-in flashlight, and a loud alarm, law enforcement can have the multi-use tool they need when working in low-light conditions.

FEATURES INCLUDE:

- Available in red/blue, amber, green, red and red/white.
- Withstands all weather, adding visibility on cloudy days
- Provides up to 10 hours of visible light
- 360-degree visibility up to 1/3 mile
- Can be used as a traffic baton, flashlight, and crowd mover
- Attachable via clip, wrist strap, or magnetic base
- Push the button to change from flashing, to flashlight, to off
- USB charging cord included, with a charging time of 2 hours.
